# Sweet Caroline

Where it began, I can't begin to know  
But then I know it's growing strong  
Was in the spring  
And spring became the summer  
Who'd have believed you'd come along

Hands, touching hands  
Reaching out, touching me, touching you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
But now I

Look at the night and it don't seem so lonely  
We filled it up with only two  
And when I hurt  
Hurting runs off my shoulders  
How can I hurt when holding you

One, touching one  
Reaching out, touching me, touching you

Sweet Caroline  
Good times never seemed so good  
I've been inclined  
To believe they never would  
Oh no, no

Sweet Caroline  
Good times never seemed so good  
Sweet Caroline  
I believe they never could  
Sweet Caroline  
Good times never seemed so good

# Summer Holiday

We're all goin' on a summer holiday  
No more workin' for a week or two  
Fun and laughter on a summer holiday  
No more worries for me or you  
For a week or two

We're goin' where the sun shines brightly  
We're goin' where the sea is blue  
We've seen it in the movies  
Now let's see if it's true

Everybody has a summer holiday  
Doin' things they always wanted to  
So we're goin' on a summer holiday  
To make our dreams come true  
For me and you

We're goin' where the sun shines brightly  
We're goin' where the sea is blue  
We've seen it in the movies  
So let's see if it's true

Everybody has a summer holiday  
Doin' things they always wanted to  
So we're goin' on a summer holiday  
To make our dreams come true  
For me and you

# You're My World

You're my world, you're every breath I take  
You're my world, you're every move I make  
Other eyes see the stars up in the skies  
But for me, they shine within your eyes

As the trees reach for the sun above  
So my arms reach out to you for love  
With your hand resting in mine  
I feel a power so divine

You're my world, you are my night and day  
You're my world, you're every prayer I pray  
If our love ceases to be  
Then it's the end of my world for me

With your hand resting in mine  
I feel a power so divine  
You're my world, you are my night and day  
You're my world, you're every prayer I pray

If our love ceases to be  
Then it's the end of my world  
End of my world  
End of my world for me

# These Boots Are Made For Walking

You keep sayin' you've got somethin' for me  
Somethin' you call love but confess  
You've been a'messin' where you shouldn't 've been  
a'messin'  
And now someone else is getting all your best

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep lyin' when you oughta be truthin'  
And you keep losing when you oughta not bet  
You keep samini' when you oughta be a'changin'  
Now what's right is right but you ain't been right yet

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you

You keep playin' where you shouldn't be playin'  
And you keep thinkin' that you'll never get burnt (ha)  
I just found me a brand new box of matches, yeah  
And what he knows you ain't had time to learn

These boots are made for walkin'  
And that's just what they'll do  
One of these days these boots are gonna walk all over you  
Are you ready, boots? Start walkin'

# Knock on Your Door

I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight when the moon is bright  
I'm gonna knock and ring and tap until you do

I'm gonna knock on your door, call out your name  
Wake up the town, you'll see  
I'm gonna hoo-hoot and howl like the lovesick owl  
Until you say you're gonna come out with me

Hey little girl, this ain't no time to sleep  
Let's count kisses 'stead of countin' sheep  
How, how can I hold you near  
With you up there and me down here?

I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight when the moon is bright  
I'm gonna knock and ring and tap until you do

Hey little girl, this ain't no time to sleep  
Let's count kisses 'stead of countin' sheep  
How, how can I hold you near  
With you up there and me down here?

I'm gonna knock on your door, ring on your bell  
Tap on your window too  
If you don't come out tonight when the moon is bright  
I'm gonna knock and ring and tap until you do

I'm gonna knock and ring and tap  
And knock and ring and tap  
And knock and ring and tap  
And knock and ring until you do

# Twist Again

Come on everybody clap your hands  
Ah, you're looking good  
I'm gonna sing my song and it won't take long  
We're gonna do the twist and it goes like this

Come on let's twist again like we did last summer  
Yeah, let's twist again like we did last year  
Do you remember when things were really hummin'?  
Yeah, let's twist again, twistin' time is here

Round 'n around 'n up 'n down we go again  
Oh baby make me know you love me so and then  
Twist again like we did last summer  
Come on twist again, like we did last year

Who's that, flyin' up there?  
Is it a bird? No  
Is it a plane? No  
Is it the twister? Yeah

Yeah, twist again like we did last summer  
Come on let's twist again, like we did last year  
Do you remember when things were really hummin'?  
Come on let's twist again, twistin' time is here

Round 'n around 'n up 'n down we go again  
Oh baby make me know you love me so and then  
Come on twist again like we did last summer  
Girl, let's twist again, like we did last year  
Come on twist again, twistin' time is here

## **Blue Suede Shoes**

**Well, it's one for the money two for the show  
Three to get ready now go, cat, go**

**But don't you step on my blue suede shoes  
Well you can do anything but  
Lay off of my blue suede shoes**

**Well, you can knock me down, step in my face  
Slander my name all over the place  
Do anything that you want to do  
But uh-uh honey, lay off of my shoes  
Don't you step on my blue suede shoes  
You can do anything but lay off of my blue suede shoes  
Now let's go cats (oh walk the dogs)**

**You can burn my house, steal my car  
Drink my liquor from an old fruit-jar  
Do anything that you want to do  
But uh-uh baby, lay off of my shoes  
Don't you step on my blue suede shoes  
You can do anything but lay off of my blue suede shoes  
Rock it**

**Well, it's one for the money, two for the show  
Three to get ready now go, cat, go  
But don't you step on my blue suede shoes  
Well you can do anything but lay off of my blue suede shoes  
Go cat uh**

**Blue, blue suede shoes oh baby  
Blue, blue suede shoes uh ha  
Blue, blue suede shoes oh baby  
Blue, blue suede shoes  
You do anything but lay off of my blue suede shoes**

## **I Can't Help Falling in Love with You**

**Wise men say  
Only fools rush in  
But I can't help falling in love with you  
Shall I stay?  
Would it be a sin  
If I can't help falling in love with you?**

**Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be**

**Take my hand  
Take my whole life, too  
For I can't help falling in love with you**

**Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to be**

**Take my hand  
Take my whole life, too  
For I can't help falling in love with you  
For I can't help falling in love with you**

## Thank you for the Music

I'm nothing special, in fact I'm a bit of a bore  
If I tell a joke, you've probably heard it before  
But I have a talent, a wonderful thing  
'Cause everyone listens when I start to sing  
I'm so grateful and proud  
All I want is to sing it out loud

So I say  
Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it? I ask in all honesty  
What would life be?  
Without a song or a dance, what are we?  
So I say thank you for the music, For giving it to me  
Mother says I was a dancer before I could walk  
She says I began to sing long before I could talk  
And I've often wondered, how did it all start?  
Who found out that nothing can capture a heart  
Like a melody can? Well, whoever it was, I'm a fan

So I say  
Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it? I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music, For giving it to me  
I've been so lucky, I am the girl with golden hair  
I wanna sing it out to everybody  
What a joy, what a life, what a chance

Thank you for the music, the songs I'm singing  
Thanks for all the joy they're bringing  
Who can live without it, I ask in all honesty  
What would life be?  
Without a song or a dance what are we?  
So I say thank you for the music  
For giving it to me

So I say  
Thank you for the music, for giving it to me

# You'll Never Walk Alone

When you walk through a storm  
Hold your head up high  
And don't be afraid of the dark

At the end of a storm  
There's a golden sky  
And the sweet silver song of a lark

Walk on through the wind  
Walk on through the rain  
For your dreams be tossed and blown

Walk on, walk on  
With hope in your heart  
And you'll never walk alone

You'll never walk alone  
Walk on, walk on  
With hope in your heart  
And you'll never walk alone  
You'll never walk alone

**Thank you for joining in with us today,  
we hope that you have enjoyed it.**
